# FORMUŁY

PLANTY

The formula "Planty" is the standard which is filled in our lip balm sticks. Oils and waxes of plant origin such as bees wax and shea butter as well as vitamin E help the lips stay smooth and prevent the lips' delicate skin from dehydrating. The formula is free from mineral oil and wax, has a touch of vanilla aroma and gives lips a subtle clear shine.

BBD: 36 months

PLANTY FOR MEN

The proven formula of "Planty" underwent further development in the KHK laboratory and is now also available as a lip balm for men. The colourless formula contains refreshing mint oil and protects with hop extracts, soothing and smoothing raw masculine lips. Other ingredients are nourishing shea butter and vitamin E.

BBD: 36 months

NATURE

The vegan lip balm is 100% organic and is certified according to the high demands of the acknowledged label NATRUE. Olive oil, jojoba oil and carnauba wax from organic farming help the lips stay smooth and prevent the lips' delicate skin from dehydrating. Other ingredients are: High quality shea butter from a fair trade project and carotene-containing seabuckthorn-oil.

BBD: 36 months.

SPF 20

Our lip balm with sun protection factor 20 gives your lips long-lasting protection from damaging UVA and UVB rays. Bees wax and shea butter help the lips stay smooth and prevent the lips' delicate skin from dehydrating, additionally the formula contains vitamin E. The high quality lip balm is easily applicable and has a touch of vanilla aroma.

BBD: 36 months

SPF 30

Our formula, with sun protection factor 30, protects lips from harmful UVA and UVB rays even in intense sunlight. Shea butter keeps the lips from drying out and makes them supple. The neutrally scented formula also contains vitamin E and bisabolol. The formula's characteristic colour is a result of sea buckthorn oil, which contains carotene.
